

29 June 1972

Dear Howard:

Herewith a belated note (with my apologies for the delay) to thank you for the extremely interesting and pleasant visit to your Command. It is reassuring to see all that competence and dedication.

I am also most grateful for the superb map gifts you lavished on me.

With every good wish for your continued success and our working closely together.

Faithfully,

Vernon A. Walters  
Lieutenant General, USA

Lieutenant General Howard W. Penney  
Director  
Defense Mapping Agency  
Army Topographic Station  
Washington, D. C. 20315

[MORI/CDF]
